Szóbeli mintafeladatsor

Presentation

Deliver your presentation in a maximum of 5 minutes. After 4 minutes the examiner will indicate that you have only 1 minute left. After the presentation, answer your partner's questions in 1 minute.

Listen carefully to your partner's presentation and ask questions about its content.

Discussion

Discuss the following topic with your partner:

The housing market reflects economic changes.

- Express your agreement or disagreement.
- Give examples and arguments to support your opinion.
- Respond to your partner's opinion.

Role-play

Candidate A

You are an employee of an international trading company. There have been multiple incidents of unauthorized access to the electronic systems of the company, as well as misuse of its name. Discuss with your colleague

- how to prevent hackers from infiltrating the online database (e.g. firewall, outsourcing to a security company),
- how to respond when the company's name is misused,
- what kind of internal training should be organized for the company's employees to ensure safer online work practices.

Candidate B

You are an employee of an international trading company. There have been multiple incidents of unauthorized access to the electronic systems of the company, as well as misuse of its name. Discuss with your colleague

- how to prevent hackers from infiltrating the online database (e.g. firewall, outsourcing to a security company),
- how to respond when the company's name is misused,
- what kind of internal training should be organized for the company's employees to ensure safer online work practices.
